Secret History of the Baie des Chaleur Railway Scandal.

Kodiak Salmon Fishermen on a Strike-Em peror William in Good Health-Lerdo Earthquke Accounts Exaggerated.

OTTAWA, Out., Aug. 14.-The senate rallway committee met again to-night. Startling evidence was brought forth in connection with the Baie des Chaleurs rall questions, made a clean breast of it. He said when an effort to reorganize the company failed he set about organizing a new syndicate, as he had heavy claims against the road. In New York he held a lengthy conference with Premier Mercler and other members of the Quebec provincial government. In order to complete the deal he got his nest Bacaud, editor of L'Electur, the government organ, to act as agent between himself and the government. An arrangement was made by which the government paid him, in subsidies, \$175,000. Witness repaid Bacaud \$20,000, retaining only \$75,000. The statement created a sensation. uestions, made a clean breast of it. He

repaid Bacaud \$100,000, retaining only \$70,000. The statement created a sensation.

Bacaud, when called on, said the vitness complained that the government was paying money. Bacaud showed witness a list of names of persons whose debts had been liquidated. Among the names appeared R. I. Tarte, M. P.

Before the privileges and elections com-

Emperor William's Condition.

Berlin, Aug. 14.—Aside from the inconvenionce of moving about with his leg held stiff by bandages, Emperor William is enjoying excellent health. The fact that the Emperor is able to devote a great part of his time to attending to the business of the empire, is regarded as pretty good evidence that the aiarming reports circulated in regard to his physical and mental condition are unfounded.

Lerdo Earthquake Accounts Exaggerated. San Francisco, Aug. 14.—The Chronice's Yuma correspondent made a trip to the town of Lerdo, Mexico, which was reported destroyed by the earthquake of July

The colling to pay the last tribute of love and respect to the deceased author, critic, poet and diplomatist. There were no services at Elimwood, the poet's late home. Shortly after 12 o'clock the funeral procession moved into the church. Mrs. Burnett, in deepest mourning, escorted by her oldest son and the rest of the nurses and servants. Bishop Phillips Brooks and Rev. William Lawrence, dean of the Episcopai Theological school, Cambridge, met the remains in the vestibule, Rev. Mr. Lawrence reading "I am the resurrence or Diver Wendell Holmes, Christopher Cranch, John Holmes, Prof. Charles Eint Norton, Prof. Child, C. F. Choate, John Bartlett and President C. W. Eliot, of Harvard university.

The colling to the basiness of the empire, is regarded as pretty good evidence that the church are not of the church. The honorary pall bearers were Dr. Oliver Wendell Holmes, Christopher Cranch, John Holmes, Prof. Charles Einto Norton, Prof. Child, C. F. Choate, John Bartlett and President C. W. Eliot, of Harvard university.

The colling to the basiness of the empire, is regarded as pretty good evidence that the church are not of the church are

ported destroyed by the earthquake of July 30. He reports the accounts of the earthquake exaggerated. No houses were destroyed. He failed to find the place where the Colorado river was reported to be pouring into a fissure in the earth. There was no tidal wave in the Gulf of California and the shock was hardly felt there.

Sugar Beets Set Back.

London, Aug. 14.—Continued wet and policy and po The services in the church were very simple as befitted the nature of the man, consisting solely of the Episcopal service for the dead and vocal music by the Temple quartette of Boston. The body was not exposed to view and was taken to Mount Auburn immediately after the services at the charm! followed by about fifteen car-Auburn immediately after the services at the chapet followed by about fifteen carriages. There were no services at the grave.

While the body was being conveyed to its last resting place at Mount Auburn, church belis throughout the city toiled and flags were displayed at half must by order of the mayor.

The spot selected for the

The spot selected for the poet's grave, it respondent at Shanghal says: Negotiations The lot is in the valley in the rear of the The lot is in the valley in the rear of the cemetery and directly in the shadow of the Longfellow lot, where rest the remains of America's famous bard. An immense crowd was gathered in the cemetery. Bishop Beach pronounced the last prayer, which completed the Episcopal burial service, for although Dr. Lowell was a Uniterian, it was his wish that the funeral services should be from the Episcopal service book. Among those in attendance were five survivors of the class of 1838 of Harvard, of which Dr. Lowell was a member. The Order of the Loyal Legion, of which Dr. Lowell was a member. Was also represented. COMMENTS OF THE TORY PRESS

Accident to a Party of Students-Lord Cole ridge's Construction of "Swear Not At All"-The Salisbury-O'Brien Case.

LONDON, Aug. 14 .- | Copyright, 1891, by the New York Associated Press. |-If Mr. Balfour had not obtained the assent of the leading members of the cabinet to his Irish local government bill before announcing it, the rupture in the government and split in the party would seem inevitable; a regularly constituted cabinet council. A committee has been working on the bill eighteen months, and the ignoring of Conservative chiefs closely in touch with the rank and file of the party, has added to the general discontent. No Unionist section thoroughly endorses Balfour's outlined

The Spectator, the leading Unionist organ in its issue to-morrow will put the position of the Liberal Unionists straight in deacuncing the bill as a home rule measure

The National Observer, a leading exponent of Tory opinion, attacks the ministry as ing a Unionist agency. Among ministerial group, only the Goschen-Chamber-lain set can be cordially relied upon to support Mr. Balfour. Strong as this group are, they are likely to be forced eventually to bow before Tory prejudices and either present an amended bill to suit Conservative ideas or withdraw it at the risk of disaffection in the cabinet on the eve of the dissolution of parliament.

The report of the labor department of the board of trade is now watched with keen interest. In connection with the Mc-Kinley law the report says: "The labor market is in a disturbed condition. The demand fell off in the ship-building, en-gineering and iron and steel trades. In gineering and iron and steel trades. In spite of the shrinkage of trade in iron and steel prices are steady. This is due to the fact that raw materials are high, when compared with other periods of decreasing trade. Coal continues to be maintained on a high level. This is partly due to good wages paid colliers, whose power of c.mbining prevents the lowering of wages, restricts the output and thus maintains prices."

prices."

Advices from Rome give a detailed account of the sad adventures of a party of students from the American college there while bathing at Porto Danzio. The water students from the American college there with eathing at Perto Danzio. The water was very rough. Lucian Johnson, of Baltimer Victor Brooker, of Indianar James Keely, of New York; Joseph Gallagher and Johnson, of Philadelphis; John Bowen, of Chicago, and Henry Duesing, of Chicago, and Henry Duesing, of Chicago, and Henry Duesing, and Ferrobase of Chicago, and Henry Duesing, and Henry Duesing, all were swept off by the current, but all managed to gain the shore except Juesing. Johnson swam out sgrain, caught Duesing and held him up five minutes. He found Duesing had lost his wits in fright and bear him wormuring some prayer. Johnson swam out sgrain, caught Duesing, and led him up five minutes. He found Duesing had lost his wits in fright and bear him mormuring some prayer. Johnson swam out sgrain, caught Duesing, and led him up five minutes. He found Duesing had lost his wits in fright and bear him mormuring some prayer.
